11. We conclude with an carnest expression | which they considered a good investment. At lying in this harbour for hired emigrants, it is of our hope that by means of Your Excellency's the same time they should be only too gird to nearly certain that our Colonial laws, carnessistance and endeavours, the suppression of the rigidly administered Chinese coolie emigration may be achieved. It is an object which lies very close to our hearts, they should be happy to dispose of the greater libertics of the Chinese, as long as these remained and should Your Excellency bring it about, it part of them. The new building in London was within our jurisdiction; but the chinese coolie emigration may be achieved. within our jurisdiction; but the ship once des- will hereafter be a source of extreme gratifica- freehold, and it had cost them £115,000. They patched from Colonial waters, if her flag were tion to us, to remember that your name in con-non-British. Your Executency might be con-strained to withess all the beneficial regulations has been associated with the overthrow of a derato rental. It was, and had always been, the desire of the directors to give the shareof enigrants, in addition to those obtained here, tion at hirge, to foreign and to British inter- holders the fullest information, but there were nany points, considering that their meeting was public, on which it would not be well to be explicit. They had written off more than they were required to do. Before closing the accounts they received intelligence from Bombay that they had over-estimated the amount by £20,000; but they considered it was better to let it stand. In writing off £1:14.000 they consilered, as far as they could eco at present, they had made full provision: A Shareholder asked the chairman what was

> The Chairman replied it was about 15 per cent, and he believed it was impossible for an with un able staff for less. The board had no deaire but to meet the wishes of the shareholders in every way. They saw nothing objectionable in Mr. Brown's suggestion, and all he could say was, kong more closely to that sanctioned by the they should give the matter their best consi-Mr. Brown said there was an opinion generally entertained on the part of the charcholders that it would be advicable to most the directors every six instead of twelve months. (Hear, hear.) At present they were a whole year without receiving any intelligence of their property. The Chairman said the question introduced by Mr. Brown; although it had never been mooted before by the sharcholders, had been under the consideration of the directors. Speaking for himself, he could say the directors could not meet the shareholders too often. (Hear, yearly. They declared a dividend twice a vent. and therefore the object of a half-yearly meeting would be to give a statement of the affairs.

the ner centage of the costs of the establishment

The Chairman then asked for a show of hands, which resulted in a unanimous approval of the suggestion of Mr. Brown, and a resolution was subsequently drawn up by that gentleman, fixthe third Tuesday of the month of November in

In suswer to Mr. Butler-Johnstone. The Chairman repeated a statement made by him at an early stage of the proceedings, namely. that his conviction was that everything in the shape of less was provided for. The accountal had been most rigidly audited, and everything they were likely to lose had been written off. The directors were the largest shareholders, and With respect to their prospects during this year, although the exchanges up to the present time bad been unfavourable, and since the 1st entisfactory, and much more than they/could have expected, and as exchanges were becoming favourable, there was every reason to expect the half-venr would at least be a tolerably good onc. Mosara J. Smith and J. J. Machenzie were conjunction with those gentleman. A cordial vote of thanks was necorded to the chairman

Mr. Robertson, the chief manager, baving sounder footing. He had found that the four months usance system was becoming generally adopted, and those merchants who had opposed

Gossip About Clubs. The Cocoa-Tree, which was the Tory Choculate-House of the days of Queen Anne, first hopes that the exchanges, following the usual (afterwards Lord Crowe), and Mr. C. J. Fox." DAND DICKS, WEARPOA.

COMMERCIAL INTELLIGENCE

Hongkong, Friday Evening. The board of directors of the Hongkong, Canton, and Macao Steamboat Company, have good cause to congratulate themselves upon the very flattering report of the operations of the company for the past six months, which is to be laid before the Shareholders on Monday next. Beside having written off 325,000 of their MR. W. DETHERING ceases to sign our firm lean they are further enabled to declare i handsome dividend and report a most promising future. The report says :- " After paying all commissions, running expenses, salaries, premia / THE interest and responsibility of M. THEOof insurance, interest on loans, and outgoings of L DOR. HESSE, in our firm ceased on 30th every description up to the 30th of June, there ultimo. Mr. A. H. P. HABE, who was admitted remains a sum of 397,372.29 in the hands of the a partner on 1st January will henceforth con- Ports. Company. Of this the board propose to appro. LEONHARD STARL is duly authorised, to sign ing that you will agree with them that the best investment of that fund will be the reduction of the loan upon the Company's spare boats, they have reduced the account of the loan to \$180,000, and propose paying off another \$10,000, so as to leave it at the sum of \$170,000, which will be considerably reduced by the next six, month's carnings, even if not entirely cleared off by the sile of a hoat. These appropriations will leave the sum of \$67,372.29, ont of which the directors TR. C. W. BRADLEY has retired from of recommend the payment of a dividend to Share-builders of \$7.50 per share, being at the rate of 20 per cent. per annum on the paid up capital of the Company, which will absorb ied forward to the next-half-year's account. The market for New Patne opened this inorning withis transactions for cash and on time, at 86472; and as the Lightning did not make, heriappearance, and a good Chinese. demand springing up the price gradually advanced to 5655, and would have closed bigher were it not for the arrival of the above stemmer at about 6 p.m., when the excitement somewhat /subsided, but not with any weak inclination on the part of actual holders of Drug. The supply from the Sixth Sale being & Co. moderate, and chiefly in good hands, it is not expected that priess will rate much lower. This month has generally been a good one for large clearances on the part of the Chinese, and present rates are therefore likely to be maintained, even if they do not show better figure b Hongkong and Whampon, in fuvor of Mesers. before the next supply comes in from the 7th Sale: The present stock of this drug is in the hands of strong holders, and, as large fanciful sales have been affected by various parties at much lower rates than ruling nt present, and who will be obliged to onter the market to supply themselves when called upon for Drug, there would seem to be sufficient rea- Esq., at Hongkong and Whampon, will be consons for believing that a change still for the tinned by the Undersigned better will result from Chinese domand. The closing rates are \$652, to \$6534, each bargain chop script of \$655, \$15 bargain at \$557 18 874 bargain Closing at \$600, 310 bargain. New Benarce has sympathized with the advance and transactions to some extent have been done at \$6324 to \$635, and at these figures the market is rather firm. Old Benares is held for scriptions business has been trifling. There this day. bave been sales of Malwa to the Chinese at \$745 to \$750, Foreigners do not offer better than 5740 for really first closs Drug.

The other markets continue dull and incetive; in the market for Imported Manufuntures business had been exceedingly light, and there is no noticeable change to report. There have been some considerable calca of 8/4 Grey the day.
